

HIGH PIPE STAND

Easy and safe for high pipe working applications

The TAG Pipe 6ft folding jack allows a pipe fabricator to hold pipe in a safe position up to 6ft tall.

The folding base design with handle allows easy transport into tight spaces and the bottom T-handle locks the jack open while minimising stand wobble.

The 6 foot jack is ideal in any location where increased height pipe fit ups are necessary but can also be used in normal height conditions when adjusted in a lower height position.

Features and Advantages

- Height adjustment from 39 - 72" (99 - 180cm) tall
- 450kg / 1,000lbs weight capacity
- Increased width of stance increases stability
- Convenient carry handle for transport into and around work sites
- Lock washer can be fastened to base for safety
- Folding design allows easy transport and convenient storage

PART NO.	LOAD CAPACITY (KG / LBS)	PIPE SIZE
HPS600	450kg / 1000lbs	Up to 12"
