

EVERMATIC 

EVER-PROTECTION SHIELD

➤ **LIGHT AND ERGONOMICAL**

➤ **ADJUSTABLE HEADBAND**

➤ **HIGH VISOR**

WEIGHT: PC 150 GR
THICKNESS OF THE VISOR: 1,0MM
MADE IN FINLAND

For protection against dust and liquids only!

Light and ergonomical, the same headband is used in welding masks.

Comfortable to use due to adjustable headband. No unpleasant pressure even in long-term use. High visor provides coverage for a large area for spatter cover (not to be used as a grinding visor)
